INTRODUCTION

I'm Triet, a student with a big dream of becoming famous. Many people think I'm too young to chase that dream, but I believe it's never too early to start. Instead of giving up, I keep working hard to achieve my goal. Why let embarrassment stop you? I hope my story encourages you to never give up on your dreams.

Hi everyone. I'm Nam, a student with many dreams. I work hard to achieve my goals and want to share them with you through this project. Many people think you should be older to chase your dreams, but I believe it's never too early. Welcome to our project!

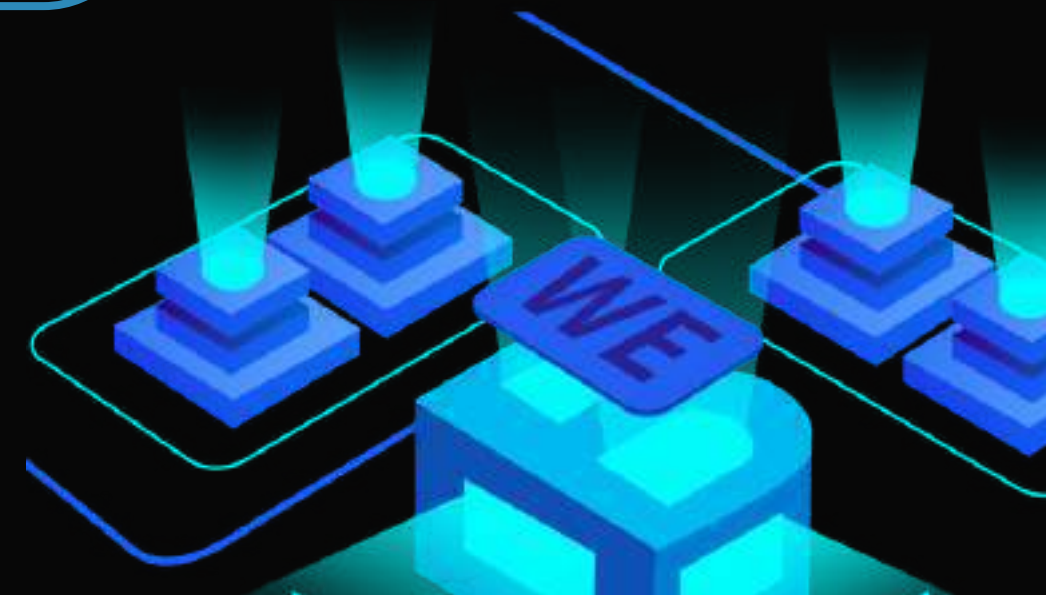

Hi everyone. I'm Nhut or call me Henry. My job was to decorate our project and help make it interesting for everyone. I enjoyed working with my teammates, and I hope you like our presentation. Thank you!

PROJECT OVERVIEW

This project is about Dreams,
Achievements, Goals,...

DREAMS

I'm Triet, who is a student who has a HUGE dream already, I struggle to achieve my one goal, is to be famous. Everyone thinks that people like me has to be older to start thinking about being a star. Well, but I totally have a different way to go, instead of quitting, I decided to not to quit and try struggling more to reach my fame.

I'm Nam a student that have lots of dream. But I want to give my little brother a skateboard because I have been sick when the English contest but the winner will get a skateboard and that day is my brother birthday. So I want to if one day there will be another English contest so I can get another skateboard.

My dream is to become a doctor. I want to help sick people and make them feel better. Doctors work hard every day to save lives and take care of patients. I know I must study hard, especially science and English, to achieve my dream. I will always be kind, patient, and responsible. I hope that one day I can work in a hospital and help many people. I will do my best to make my dream come true.

ACHIVEMENTS

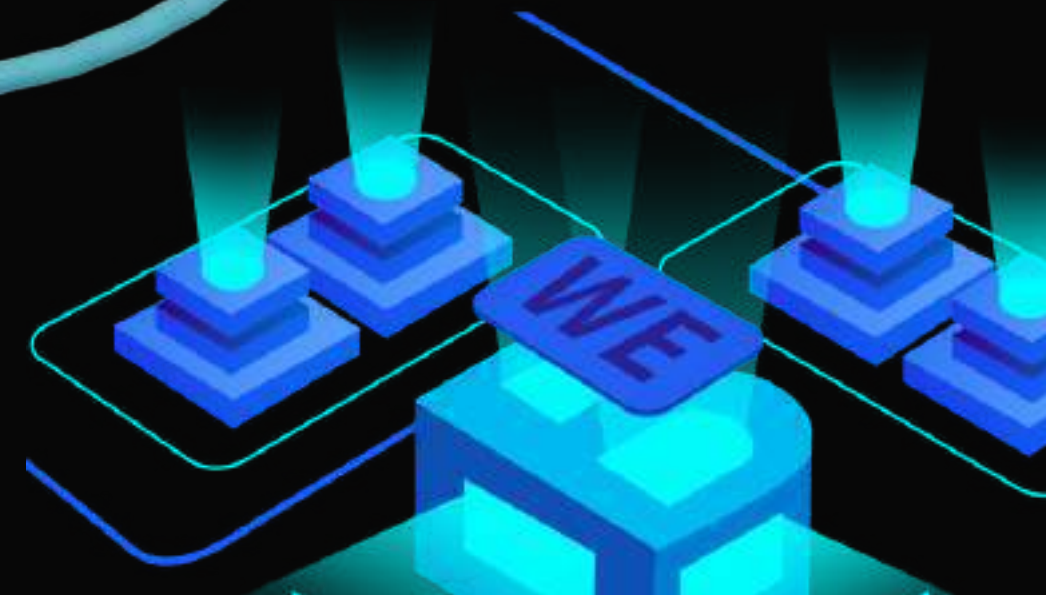

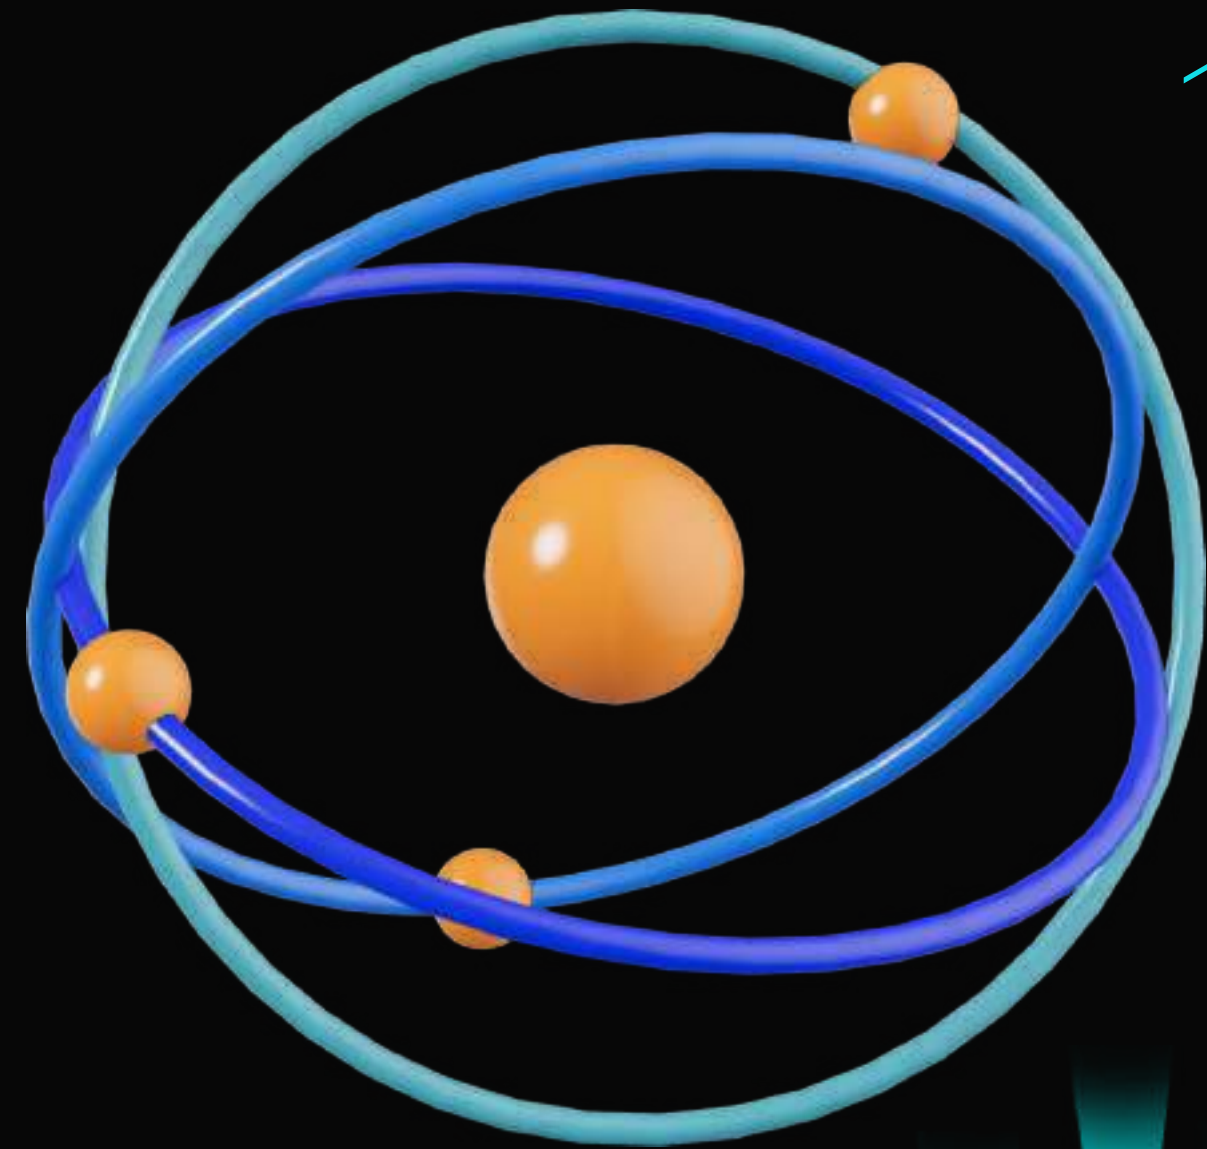

I'm Nam. My achievement is winning a chess competition. In the final moment, I moved my queen and won the game. I couldn't believe that I had won my first chess competition. However, there was a problem. Someone said that I cheated, but I didn't care. Let's continue the project.

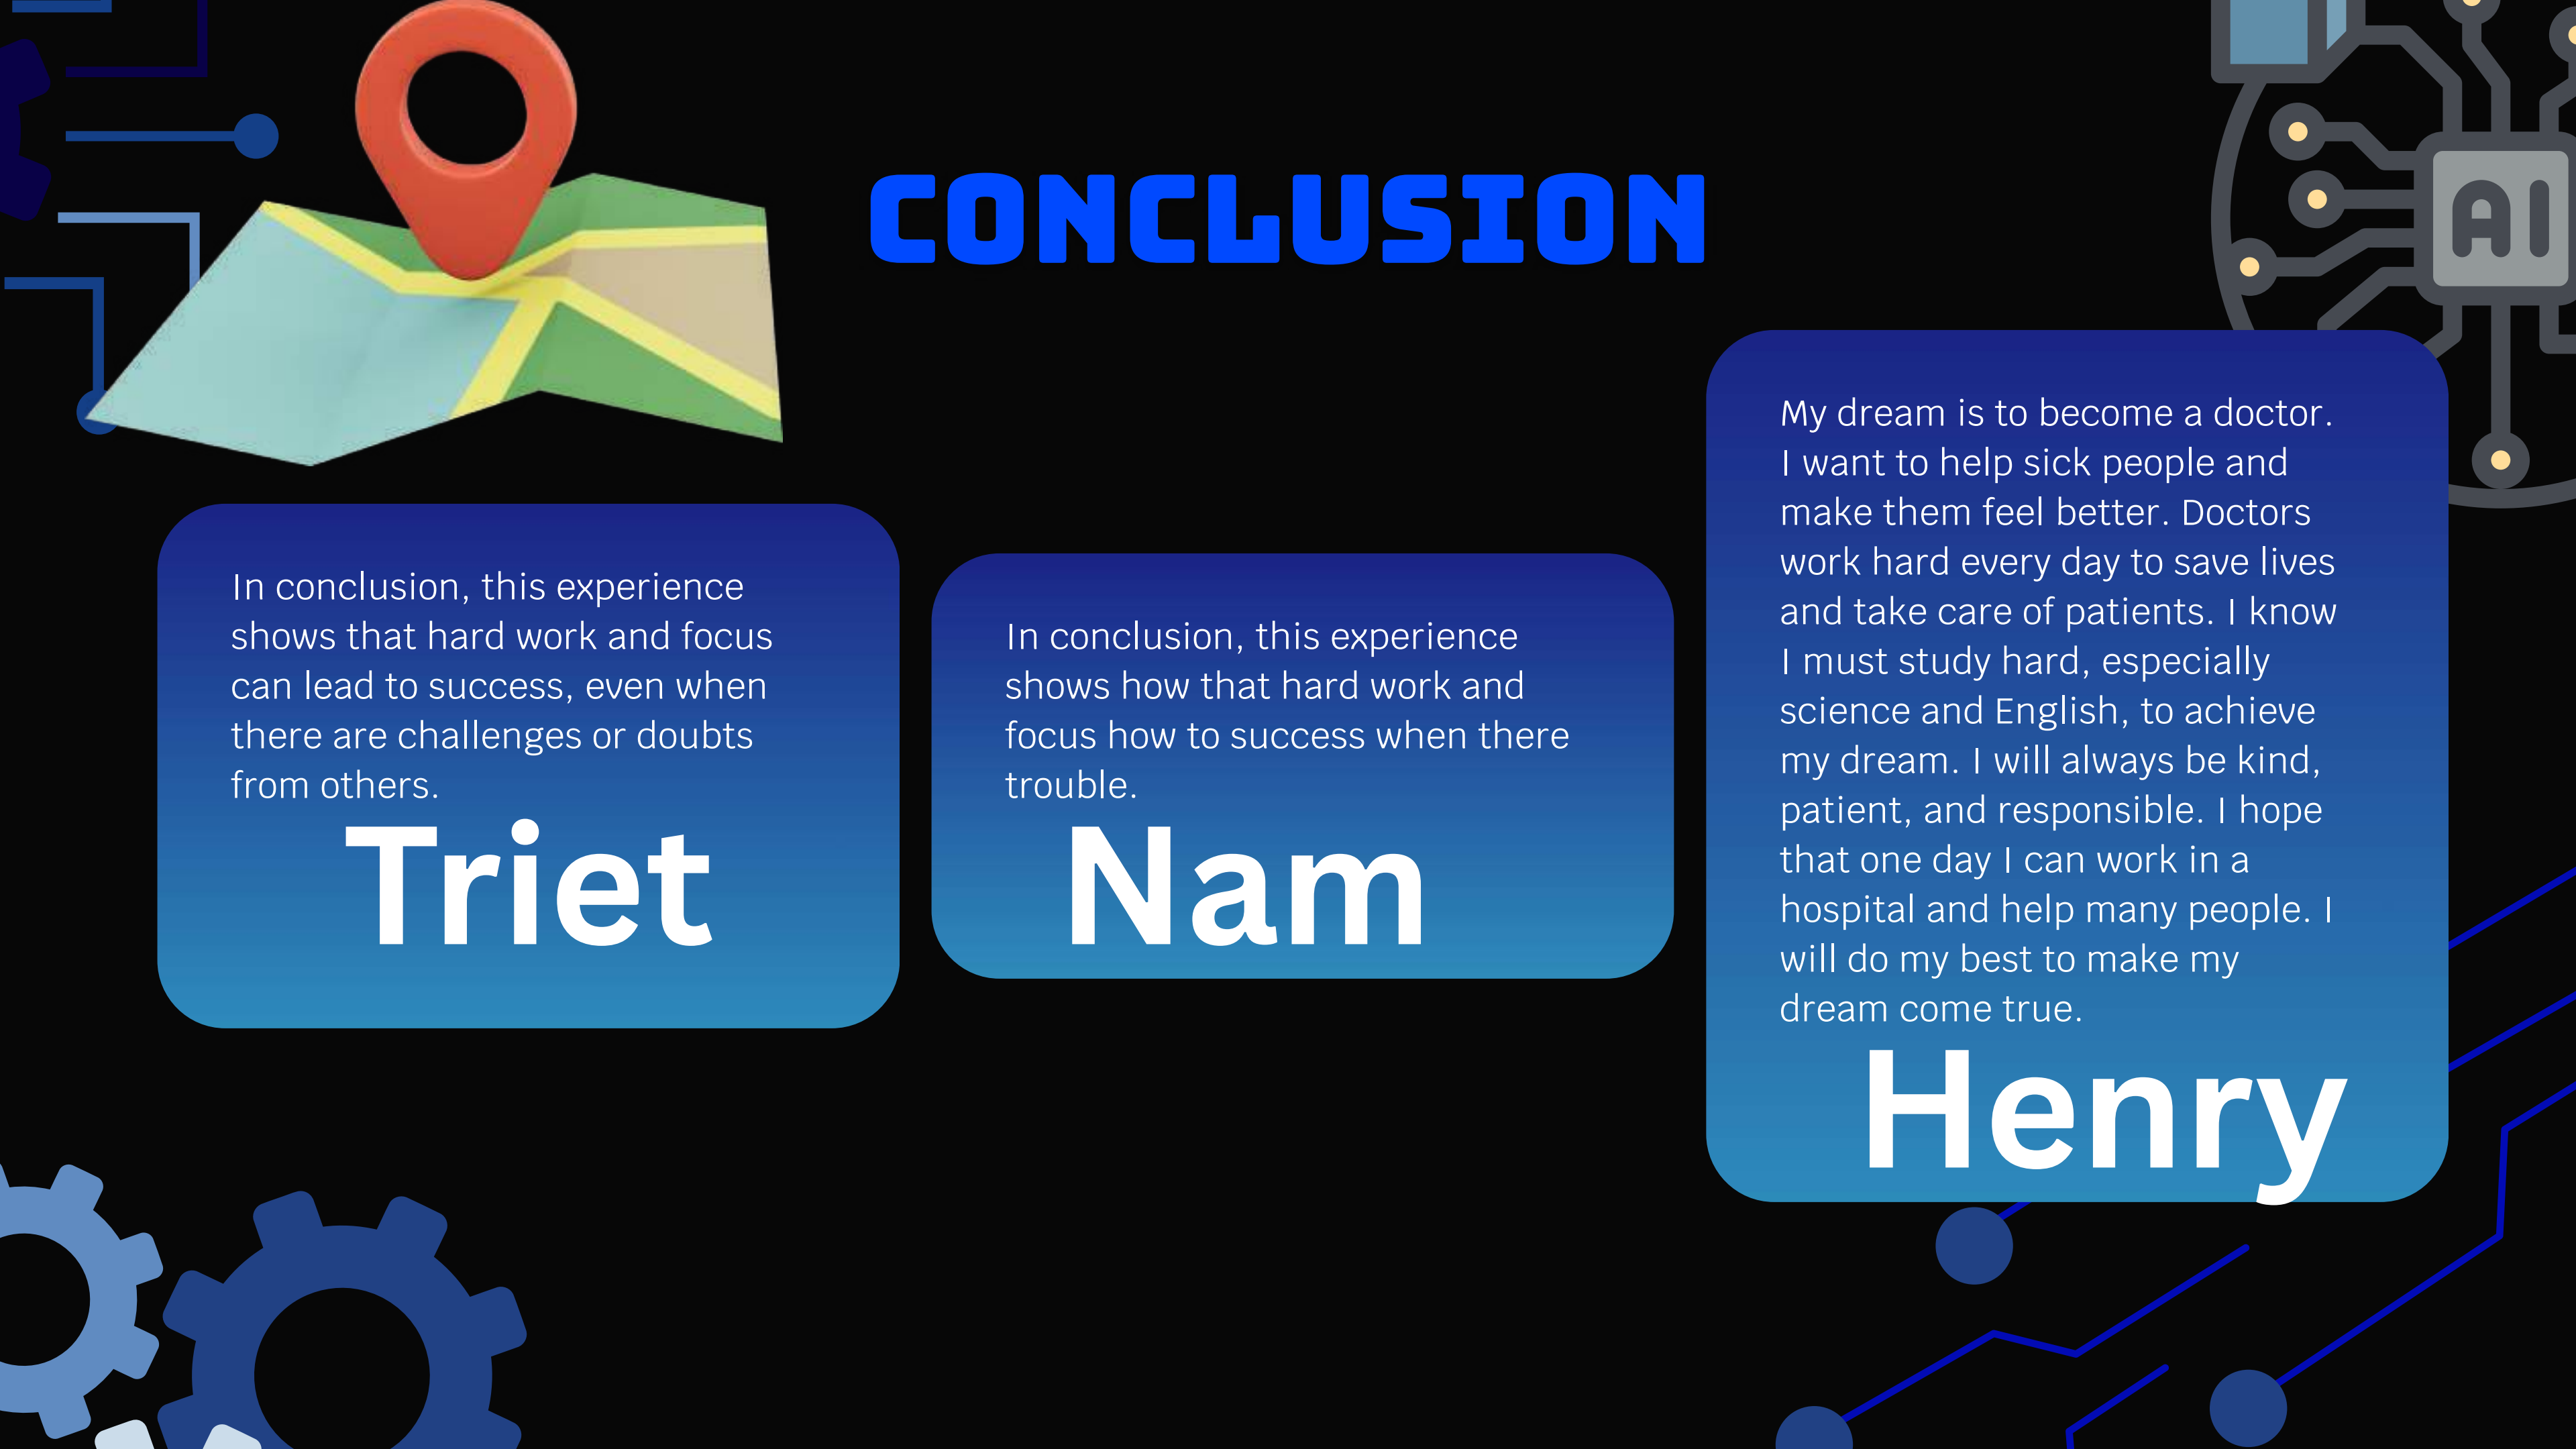

Hi everyone. I'm Triet, a student with a big dream of becoming famous one day. One of my achievements is becoming more confident and always trying to improve myself. I have also learned that every challenge is a chance to grow. Looking back, I think I should have believed in myself more, but I know it's never too late to keep trying. I believe that with hard work, determination, and confidence, I can achieve my dream.

Hi everyone. I'm Nhut, a student with a big dream of becoming famous one day. One of my achievements is becoming more confident and always trying to improve myself. I have also learned that every challenge is a chance to grow. Looking back, I think I should have believed in myself more, but I know it's never too late to keep trying. I believe that with hard work, determination, and confidence, I can achieve my dream.

RESULT

As all people all have there goals and achievements but whoever they are you all like the same.

CONCLUSION

In conclusion, this experience shows that hard work and focus can lead to success, even when there are challenges or doubts from others.

Triet

In conclusion, this experience shows how that hard work and focus how to success when there trouble.

Nam

My dream is to become a doctor. I want to help sick people and make them feel better. Doctors work hard every day to save lives and take care of patients. I know I must study hard, especially science and English, to achieve my dream. I will always be kind, patient, and responsible. I hope that one day I can work in a hospital and help many people.
